PS THE PREVENTIVE MAINTENANCE MONTHLY

INDEX NO. 13
to
ISSUES 158-163

(January - June 1966)

An index to the preceding six issues of PS Magazine is published twice yearly by the Department of the Army for the information of organizational maintenance and supply personnel. Distribution is made through normal publication channels by the "Pin-Point" distribution method.

Within limits of availability, older issues may be obtained direct from PS Magazine, Fort Knox, Kentucky, 40121.

PS Magazine wants your ideas and contributions, and is glad to answer your questions. Names and addresses are kept in confidence. Just write to:

DISTRIBUTION:

In accordance with requirements for PS Magazine submitted on DA Form 12-4. One copy of this index is distributed for every three copies of PS Magazine required.

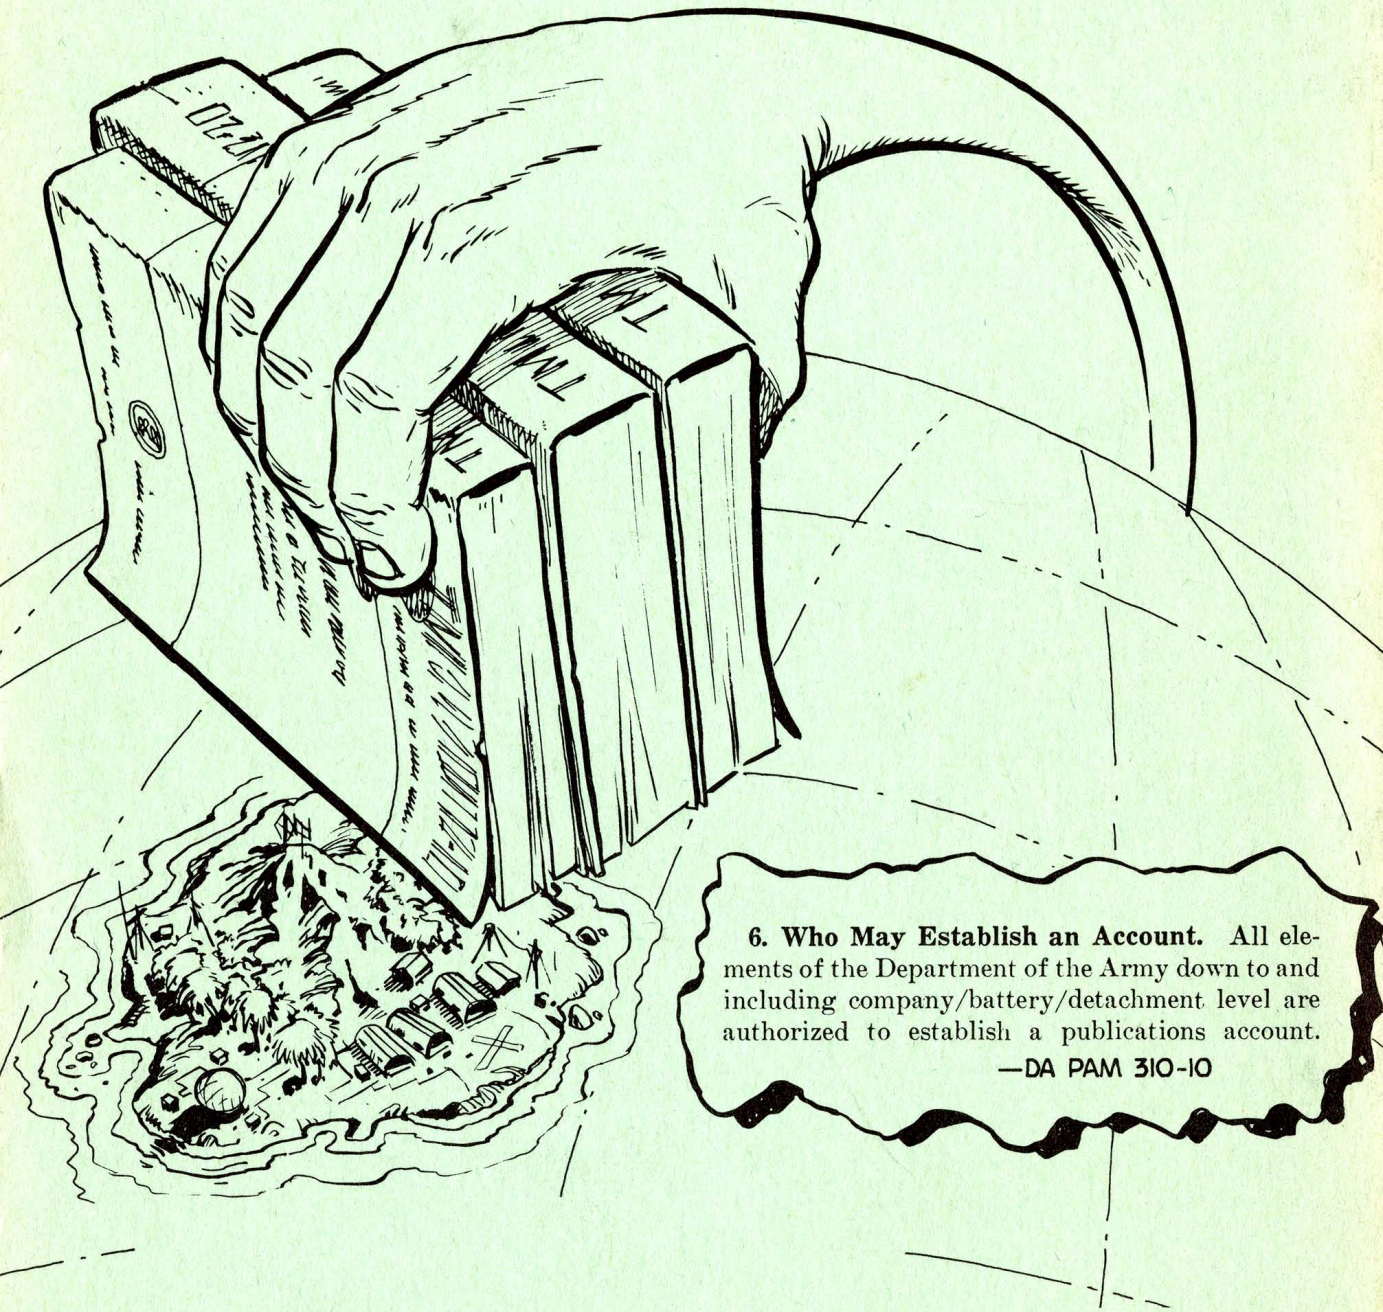
YOUR OUTFIT, TOO, CAN GET ITS PUBS DIRECT



6. Who May Establish an Account. All elements of the Department of the Army down to and including company/battery/detachment level are authorized to establish a publications account.

—DA PAM 310-10

No outfit is too small to have a pin-point publications account. All you need is an OK from your battalion-level HQ.
